

## Activities

---

1. Decorate your own Christmas tree using the included coloring page.
2. Make a treat together (see recipe card for ideas) and deliver them to your friends and neighbors - just like Little Blue Truck delivered Christmas trees to his friends!
3. Pretend that your child is Little Blue Truck and practice delivering items to different rooms in your house. Make it even more fun by adding a favorite stuffed animal into each room to act as the recipient of the gifts.
4. Visit a Christmas tree farm near you and talk about which trees your child likes best - tall or short ones, fat or thin ones, etc. just like in the book!
