

# Christmas Tree Treats

## Ingredients:

- 6 Cups Rice Krispies Rice Cereal
- 1 Package Marshmallows (10 oz. - about 40 regular or 4 cups mini)
- 3 Tbs Unsalted Butter
- Green Food Coloring
- Sprinkles and Icing (optional)
- Popsicle Sticks or Pretzel Sticks

## Directions:

1. In a large pan, melt butter and marshmallows, stirring occasionally, over medium-low heat. Once it is almost smooth, slowly add green food coloring until you have the perfect Christmas tree color.
2. Once the mixture is completely smooth and green, remove from heat and stir in Rice Krispies until cereal is completely coated.
3. Press evenly into a greased 9x13 pan. Sprinkle with sprinkles and let cool for 30 minutes or more.
4. Cut down the middle of the pan (the long way) and then cut each row into triangles.
5. Insert popsicle sticks or pretzel sticks into bottom of triangles to form the tree trunk, decorate with icing ornaments and enjoy!
