

Activity

1. Have a dance party! The book mentions several different dances: waltz, tango, Cha-Cha, Scottish reel. Look up videos of each of these different dances and give them a try. Or, just make up your own dance!
2. Play freeze-dance. Put on some music, then pause it at random times during the song. Everyone has to stop dancing and “freeze” until you resume the song.
3. The other animals were not kind to Gerald. Role play different scenarios that will help your child learn how to be kind to someone who is “different” or is bullied by other kids.
